THE LAST SUNDAY AFTER PENTECOST / CHRIST THE KING Chosen 300 Sunday

“WELCOME TO THE MOTHER CHURCH”

“Enter His gates with thanksgiving, and into His courts with praise.
Give thanks unto Him and bless His name”.

Psalm 100:4

Grace and Peace to you from God on this **the Last Sunday After Pentecost / Christ the King and Chosen 300 Sunday.**

We welcome, our Homilist, **the Rev. Brian Jenkins,**
Founder and C.E.O. of Chosen 300.

On behalf of the Clergy, Wardens, Vestry, and People of God, welcome to the historic African Episcopal Church of St. Thomas, founded in 1792 as the first Black Episcopal Church in the U.S.A. The first rector of this historic parish, The Rev. Fr. Absalom Jones was also the first Black Episcopal priest in the nation.

Our parish boldly proclaims the reconciling Gospel of Jesus Christ. We are an active, mission-minded, and growing church family. Whomever you are and wherever you may find yourself on your spiritual journey of faith, you are always welcomed at St. Thomas' Church, where we are joyfully and enthusiastically committed to Jesus' message of love, hope, prayer, acceptance, and faith. Today, as you worship in this place, may you experience and feel the presence of the Lord, and may you leave feeling renewed, refreshed, and revived.

Faithfully,
The Very Rev. Canon Martini Shaw,
17th Rector and Dean
of the Schuylkill Deanery

Please click for the [Order of Service](#)
for this Sunday's service.

From the Rector: Whoever you may be and however you may find yourself experiencing life's journey, do know that St. Thomas Church welcomes you.

AN IMPORTANT NOTE FROM THE RECTOR

My dearest and faithful family members of St. Thomas, Grace and Peace to you.

We have entered the Season of Stewardship, following 2 ½ years of being in the midst of a deep Pandemic. I invite you to now join me as we Re-imagine our ministries for 2023. You are aware that many of our programs and activities have restarted. Our need for an Associate Rector for Youth, Young Adult, and Family Ministries is crucial and at the top of my list of priorities.

PLEASE prayerfully consider increasing the level of your commitment this year in the offering of your [Faithful Giving Card](#). There is much being planned for 2023, and we will need your support. You may submit your card in four different ways:

- bring it to the altar Sunday morning during the offertory;
- drop it off at the parish office;
- mail it to the parish office;
- [electronically](#)

We celebrate that “We’ve come this far by faith leaning on the Lord”.

Faithfully,
Fr. Martini Shaw

CHOSEN 300

Our Mission

To bring people of different membership groups together; helping them to realize that despite our differences in our race, ethnic group, denomination, social class, economic classes, or the diverse ways we practice our faith; we can unify ourselves for the common good.

The purpose of our unification is to distribute meals and services to the homeless throughout the Philadelphia Region and around the world.

It was Father's Day 1996, at the exit of the Merriam Theater in Philadelphia; Mr. Jones, a man stood outside of the theater as people walked by. He had long locks that had not been combed for some time. For a shirt he wore a torn blanket, wrapped halfway around him, exposing his meatless ribs. His pants were stained and held up by a rope he had found.

All we had to offer him was forty cents and an apology for not being able to do more. His reply is what sparked the mission now known as Chosen 300..."But you considered me..."

The next week Chosen 300's founders started a bagged lunch initiative prepared at their home, which shortly outgrew their ability to provide the meals on their own.

Today, over 115 religious organizations, companies, and community groups distribute over 150,000 full-course meals throughout the Philadelphia region. Chosen 300 also provides more than 500,000 lbs. of food and humanitarian aid in 24 locations across 9 countries. Brian Jenkins, founder, of Chosen 300, never saw Mr. Jones again, but stated, "I see the smile he had on his face that night every time I see the smile of another homeless person we reach."

November 10th, 2022

Dear Brothers and Sisters in Christ,

On Sunday, December 4th the **Men's Ministry & Fellowship** will hold our **annual Men's Day Celebration**. Men's Day is set aside as a special day for our church to reflect, acknowledge and celebrate the roles men play in our community of Faith. Men are actively engaged in virtually all ministries and areas of the church with responsibilities both large and small.

As we continue our spiritual journey through our "*New Normal*" and continue to strengthen our faith in a divided community, the task we have before us and our theme is to *Reimagine Men's Ministry*. Our continued goal is to be activate leaders in the church and the community in a quest for Social Justice and Moral Leadership and build a path for our youth. We are pleased and excited to be actively engaged in helping to make St. Thomas an exceptional place to worship, fellowship and share in the joy, comfort and salvation of our Faith.

We ask our St Thomas' Community to strongly consider taking a more active role in our church and share your **time, talents and treasure** to do the good work to which we are called. It does not necessarily call for a great deal of time and effort, but it does require a commitment to do your part. We are confident that our collective renewed commitment will realize immediate benefits and blessings, as we move forward, building on our unique and distinct legacy.

I invite you to view Men's Day Sunday Service on December 4th, and invite family, friends, neighbors, and co-workers to help us celebrate our special day.

Given the current environment we are asking all church members to make a special Men's Day donation based on your comfort level of \$25.00, \$50.00, \$75.00 or \$100.00+ and identify the donation as a Men's Day Program.

All funds collected will be used to advance AECST's ministries.

Thank you in advance for your thoughtful and generous consideration

Yours in faith,

Gregory Lyles, President

A FEW QUOTES AND PARAPHRASES ON “VIRTUAL WORSHIP”

“Virtual and live stream worship have been, and will continue to be, a blessing to the church. However, by no means can it substitute coming and physically receiving the Sacrament of the Holy Eucharist (Communion).”

(From Fr. Martini Shaw’s Homily on Jan. 16, 2022).

“Online Masses and Spiritual Communion do not represent the church. The faithful not gathered to receive the Sacraments is not the church. Jesus’ disciples always lived their relationship with the Lord in Community. They gathered, around the sacrament, at the same table, as a sign of community”. (Pope Francis’ message)

“If you are unable to receive the Sacrament, by reasons of extreme sickness or physical disability; or when being present at a celebration is absolutely impossible, it is possible to open yourself to God’s grace and blessing”. (Episcopal Church Book of Common Prayer).

Below you will find the next **Letter to Stop Gun Violence**. It is to State Senators and is about reporting lost and stolen guns. This issue is timely because the court struck down a city lost and stolen gun ordinance this year due to the state Uniform Firearms Act that keeps local cities from enacting firearm legislation. If you need to look up your senator please use the [link](#).

Date _____

State Senator _____

Dear _____,

I am a resident of your district and am writing to you to request that you do everything in your power to pass lost and stolen gun reporting legislation. In Pennsylvania, people can own guns and fail to report them lost or stolen.

As a Christian and a member of the Schuylkill Deanery of the Diocese of Pennsylvania, a group of Episcopal churches in West Philadelphia, this issue is a matter of faith for me, of loving my neighbor as myself. West Philly is facing an epidemic of gun violence and hope you can tell the PA Senate this is a matter of life and death in our neighborhoods.

According to the Philadelphia Inquirer in Oct. 2021, "Reports of stolen guns reached a new peak this year, with 1,388 to date, police records show. That is 11% higher than last year, 38% higher than in 2019, and the highest tally since 2011, the first year figures were available." In 2021, car thefts including theft of a firearm were up 37%. Most guns are stolen from individuals and not gun shops or other businesses and thus legally can go unreported, which leads the Philadelphia Police Department to believe the number of stolen guns actually is much higher. Unreported stolen guns often enter the underground gun market without a trace and no chance of recovery by police.

Mandatory reporting of stolen firearms, as in the Philadelphia's lost and stolen gun ordinance struck down in Feb. 2022, help law enforcement police this underground market. They are especially effective in exposing straw purchases, where someone legally entitled to buy guns purchases them for someone unable to pass standard checks (and then frequently fraudulently claims the gun was stolen from them if it turns up at a crime scene).

Daniel Semenza, a Rutgers-Camden University criminal justice professor, coauthored a study this year that examined how the availability of guns impacted the homicide rates in 226 cities for years 2017 to 2019. The study found that greater availability of stolen firearms in U.S. cities is linked to higher firearm homicide rates.

The thing that really correlates with gun homicide rates is the access to stolen guns," he said. "It trumps any kind of effect that the number of firearm dealers and general legal access has in a city, and it's particularly important in cities that have poorer socioeconomic status."

In West Philly and surrounding neighborhoods, we lose loved ones and neighbors to illegal guns flooding our city every month. I believe passage of a bill to enforce the reporting of lost and stolen guns is part of what will help solve this terrible, unacceptable situation.

When earlier this year Judge Leadbetter (who ran as a Republican) struck down the Philadelphia lost and stolen gun ordinance, she urged the Pennsylvania Supreme Court to reconsider that 1996 legal standard known as the state Uniform Firearms Act and to allow local restrictions "narrowly tailored to local necessities." She added that it violates the fundamental right to life and liberty when children can't walk on a street near their homes without the risk of being shot. "It is neither just to impose unnecessarily harsh limits in communities where they are not required nor consistent with simple humanity to deny basic safety regulations to citizens who desperately need them,"

Help us protect our children and maintain our strong and vital neighborhoods by strongly urging passage of a lost and stolen firearms bill in Pennsylvania.

DO YOU PLAY A MUSICAL INSTRUMENT?

THE AFRICAN EPISCOPAL CHURCH OF SAINT THOMAS is a Christ-centered community that welcomes all people. This community embraces and executes the core values of our founder, the Reverend Absalom Jones: leadership, morality, spirituality, equal rights, education, liberty, charity, justice, humanitarianism, self-determination, self-respect, and freedom.

St. Thomas is an open, Christ-centered community of faith in which the Gospel is re-imaged, taught, lived and spread.
